5th Round English Homework for preparatory

Name_____ class_____

Staying at Home

School is closed because of the Corona virus. We stay at home now. My parents stay home too. It is good to have mom and dad around. We listen to our parents. They always tell us to eat fruits and vegetables.

We spend our time doing different activities. We play with our brothers and sisters. We read books, we do our home works, and we draw pictures. Sometimes we watch TV.

We also remember to wash our hands again and again. We don't touch our faces with dirty hands.

We miss school, our friends, and our teachers. We hope we will be back to school soon, and see our friends and teachers.
